1. Coffman Cove Roads Paving Construction Amended Award Conditions

***Award Conditions to the Financial Assistance Award
Between the Denali Commission and
Alaska Department of Transportation and Public Facilities
For Coffman Cove Roads Paving Construction
Award No. 396-08, Amendment 2***

All changes to the award conditions are noted below.

1. Scope of Work

This amendment increases the funding amount listed in the original award documents. The total increase is \$818,730 in Section FY08 FHWA Section 1960 SAFETEA-LU funds. Other contributing funds include \$375,000 in earmark funds; DOT&PF is providing \$81,270; and the City of Coffman Cove will provide 100% reimbursement once earmark and grant funds are exhausted.

The following is the scope of work in addition to and in conjunction with the original scope of work:

This project includes paving of three miles of roads. Each road segment will be paved 18-feet wide or 16 feet wide with 2-inches of pavement overlay and a foot gravel shoulder on each side within the 22-foot right of way. This project is paving certain city streets where utilities have already been installed. The roads have been brought up to grade, and the right-of-way is certified.

Paving the city streets will reduce dust and provide for an improved quality of life, safety, and economic improvement.

There are no other changes to the original Financial Assistance Award, as amended.
